

## **SPECTATORS:**

Spectators are encouraged to come watch their favourite players compete and experience a top disc golf event! It is possible to accompany a flight (a group of 4 players who play the course together) on foot from fairway to fairway and to watch the players from over their shoulders as they complete the course. There are also designated spectator galleries for specific fairways.

To help maintain a safe environment, please read the following spectator guidelines. Event Staff will be available for assistance throughout the tournament and will be happy to answer any questions you may have.

We ask spectators to bear the following un mind:

**Be careful.** Even the best players make mistakes. You should always look out for and keep an eye on discs, especially when you're close to the fairway. If you notice a dangerous situation, please warn others by shouting out loud: „FORE!“

**DO NOT touch or pick up any discs.** Let the players pick them up.

**Keep fairways clear and be mindful to others.** Keep to the footpath (Panoramaweg) and / or designated spectator areas. Do not go on the fairways when players are playing the holes.

**Please be quiet** when a player is throwing or concentrating on his/her throw and do not move if you're in a player's field of vision.

**Please turn cell phones off** or turn the volume down low while you are on the course, especially if you're close to the players.

**Autographs.** You're welcome to ask for players' autographs but please do so only at the Caddyshack, once players have completed their rounds.

### **Best viewing times:**

**Friday 5<sup>th</sup> July 2019** - Fun Doubles Round from **1pm**

**Saturday 6<sup>th</sup> July 2019** - 1<sup>st</sup> Round from **8:30am**, 2<sup>nd</sup> Round from **1:15pm**
